Foreign Climate Data Imaging

http://docs.lib.noaa.gov/rescue/data_rescue_home.html

- Unique foreign climatological data from Africa, Caribbean, Middle East and former Soviet block countries
- Images in pdf and tiff formats
- From 1837 to 1992
- Observations include:
 - surface temperature, precipitation, atmospheric pressure, wind speed and direction, and upper air.
- Search 54 countries and regions

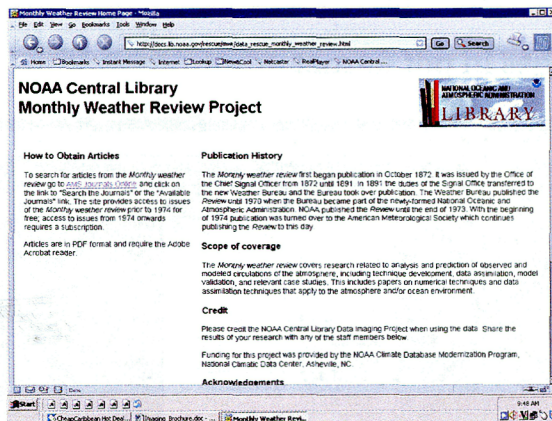

U.S. Daily Weather Maps

http://docs.lib.noaa.gov/rescue/dwm/data_rescue_daily_weather_maps.html

- Daily from 1871 through 2004
- Images in DjVu format: Free Plug-in provided

Monthly Weather Review

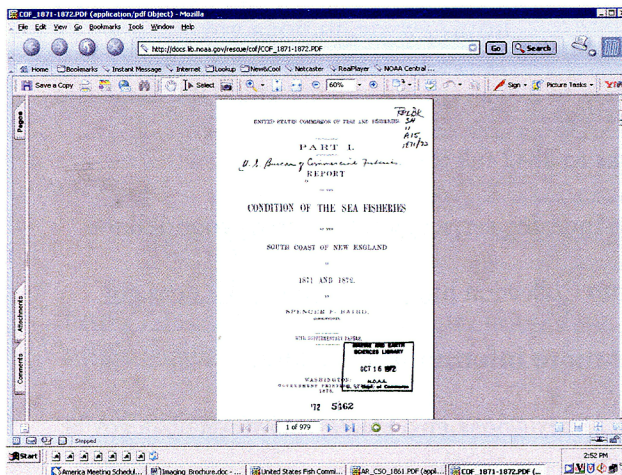

http://docs.lib.noaa.gov/rescue/mwr/data_rescue_monthly_weather_review.html

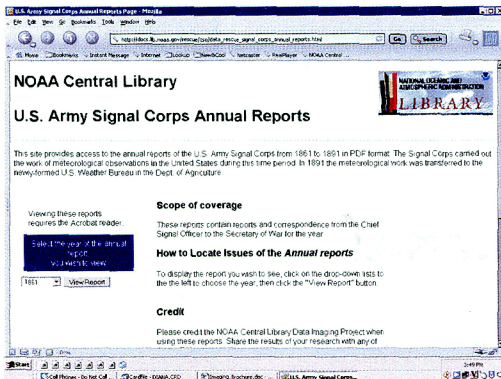

- Free access from 1871-1973
- In cooperation with the American Meteorological Society

The screenshot shows a web browser window with the address bar displaying "http://librarian.noaa.gov/online/usa/usa_fish_commission_annual_reports.htm". The browser interface includes a menu bar with "File", "Edit", "View", "Go", "Window", "Link", "Window", and "Go". Below the menu bar is a search bar with the text "http://librarian.noaa.gov/online/usa/usa_fish_commission_annual_reports.htm" and a "Go" button. The main content area features the NOAA Central Library logo on the left, which includes the text "NOAA Central Library" and "United States Fish Commission Annual Reports". On the right is a graphic of a book with the text "NOAA CENTRAL LIBRARY" and "NOAA'S NATIONAL ARCHIVE". Below the logo and graphic is a section titled "Scope of coverage" which states: "These reports contain reports on the activities of the U.S. Fish Commission beginning in 1873. The U.S. Fish Commission was established in 1871. By 1881 the Commission was known as the U.S. Fish and Fisheries Commission. In 1883 the name was changed to Bureau of Fisheries. The Bureau of Biological Survey was established in 1885. In 1940 the Bureau of Fisheries and the Bureau of Biological Survey were consolidated to form the Fish and Wildlife Service." Below this text is a section titled "How to Locate Issues of the Annual Reports" which states: "To display the report you wish to see, click on the drop-down list to the left to choose the year, then click on the 'view report' button." At the bottom of the page is a navigation bar with buttons for "Home", "About Us", "Contact Us", "Help", "Privacy Policy", "Terms of Use", "Site Map", "Feedback", "Link to Us", "Site Map", "Feedback", "Link to Us", "Site Map", "Feedback", "Link to Us".

- Annual reports of the United States Fish Commission, and the United States Fish and Fisheries Commission
- From 1871 to 1940
- Images in pdf format

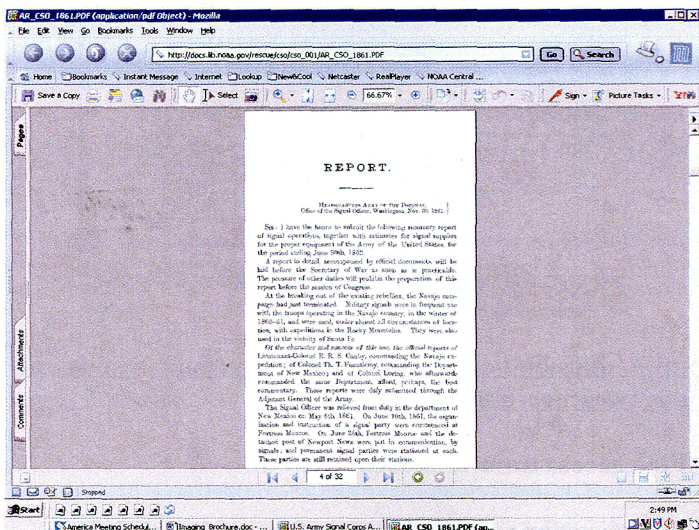

U.S. Army Signal Corps Annual Reports

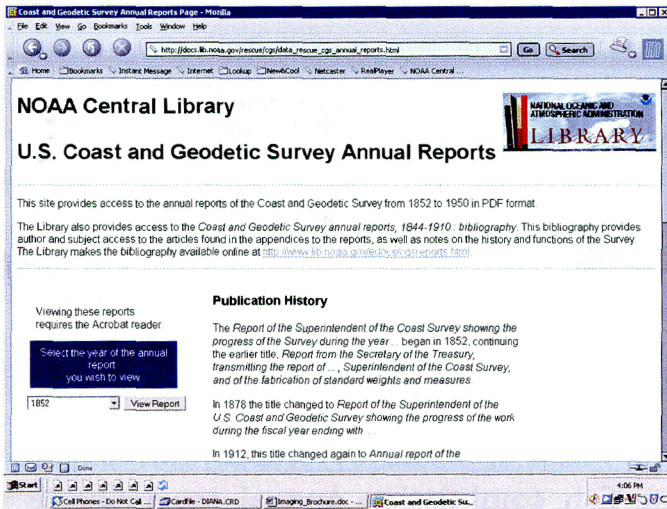

http://docs.lib.noaa.gov/rescue/cso/data_rescue_signal_corps_annual_reports.html

- Meteorological observations before the creation of the U.S. Weather Bureau
- From 1861 to 1891
- Images in pdf format

U.S. Coast and Geodetic Survey Annual Reports

http://docs.lib.noaa.gov/rescue/cgs/data_rescue_cgs_annual_reports.html

- Annual for the years 1852-1950
- Images in pdf format
